BDMLR is a UK based marine animal rescue organisation. We have over 2500 active Marine Mammal Medics around the UK and are the only such specialist organisation covering England, Wales and Scotland.

The BDMLR Marine Mammal Medic Course has been developed to train members of the public on how to safely rescue stranded Whales Dolphins, Porpoises & Seals. You do not need to be a diver and the minimum age is 16yrs old.

The course consists of a morning of lectures followed by practical sessions in the afternoon using our life sized whale, dolphin and seal models.

**Arrivals 9.30am for a 10am start at the Community Centre. The course should finish around 5pm.**

**Please book via our website  
[www.bdmlr.org.uk](http://www.bdmlr.org.uk)  
or call 01825 765546  
(Mon-Fri 9am-5pm).**

This is a full day's course. The fee of £90 includes a year's subscription to BDMLR, a year's 3<sup>rd</sup> party rescue medic insurance, cloth medic badge, car stickers, Medic ID card, a certificate and a copy of our internationally accredited Marine Mammal Medic Handbook. Refreshments will not be provided so please bring a packed lunch with you.

**Please note that you will need your own drysuit or wetsuit with boots for this course. Practicals will be held in the water in the afternoon.**
